**2009 AmeriPlan® National Convention
July 9- July 11**

You just cannot miss this great event!

The single most important thing that most IBOs tell us that has influenced the success of their AmeriPlan® business has been attendance at a National Convention. **“It’s Your Time in ‘09”** is not just another National Convention, but is the most important National Convention that has ever been held.

Look at some of the comments of attendees at prior AmeriPlan® National Conventions and then make the right choice. This event is inspirational, motivational, educational and sensational. Meet the Leaders of your company. Join the learning experience. Participate in the Recognition and have a great deal of fun while doing it.

“I have been to every National Convention and the information you learn from the speakers gives you the knowledge to grow your business. When you spend the time with the owners and leaders of AmeriPlan® you will learn that you are part of a family that really cares about you and your family.”

Jim Vollrath NSD

“We have attended every AmeriPlan® National Convention since starting our AmeriPlan® career and would not be where we are in our business today had we not made the commitment to be there. We cannot stress strongly enough how important we feel it is to be at these events, and what this can mean to you, your life and your business.”

Bobby & Alice Rice NSD
